

Business/Professional Accounts-Apply Today

If you are a business we can help by creating a Daniel Lumber Company charge account. This account differs from the credit card account in many ways, but the main one being that all charges are due on the 10th of the month following purchase. We work closely with Darby Bank and Ftrans to attain quick response to your credit application.

To begin the process, you will need to fill out a Daniel Lumber and a Ftrans credit application in full and return including a complete set of financial statements for your business. Applications can be picked-up at either location or they can be mailed/e-mailed to you directly.
